2022 Annual Report

ANNUAL REPORT 2022

MISSION STATEMENT

Our mission is to aid in the elimination of hunger in the Greater Attleboro area. We pledge to provide those in need with nutritious food and advance independence and hope.

OUR GOALS

- To provide essential nutrition and services that aid in the fight against food insecurity with dignity, respect, and compassion
- We appreciate the worth and diversity of the people we serve. Maintain an approachable and welcoming environment for individuals and families to seek assistance.
- Provide consistent and accommodating times for food distribution
- Ensure that the quality of the food we provide is of the highest nutritional standard
- Value our staff and volunteers and their commitment to our community.
- Create and grow relationships with community partners that provide resources to advance our mission.

Board of Directors Annual Letter

Dear Members and Friends,

We hope that you are all healthy and safe as we look forward to the promise of spring and the continuation of the good work Hebron food pantry provides to the Greater Attleboro Area. 2022 was a year of forward progress and change for the pantry. As we have emerged from the challenging realities of the global pandemic we found it necessary to analyze and adjust our priorities to enable us to continue to serve the community and its ever-changing needs. We are incredibly grateful that you have overwhelmingly supported us and our goal to #feedthepeople.

Hebron's new mission statement is “aid in the elimination of hunger in the Greater Attleboro area. We pledge to provide those in need with nutritious food and advance independence and hope.” Our goal is to provide essential nutrition and services that aid in the fight against food insecurity with dignity, respect, and compassion. We appreciate the worth and diversity of the people we serve. We strive to maintain an approachable and welcoming environment for individuals and families seeking assistance. We value our role as servant leaders and partners for social change around food insecurity.

Through your support and generosity, Hebron distributed over ONE MILLION pounds of food to our neighbors in need in 2022. Our organization is funded solely through donations and grants. With every $1.00 donation, we have about $20 worth of buying power at the Greater Boston Food Bank. The cost of food, the pinch of inflation we are all experiencing, coupled with the reduction in federal SNAP benefits have caused our new client projections to soar for 2023. Your financial support has an immediate impact on our community. We need your help more than ever.

Together we are a mighty force in the battle against food insecurity in the Greater Attleboro Area. It is our hope that with your continued dedication and support to #feedthepeople, we will one day put an end to hunger. We wish you the best for 2023.

Warm regards,

The Board of Directors
