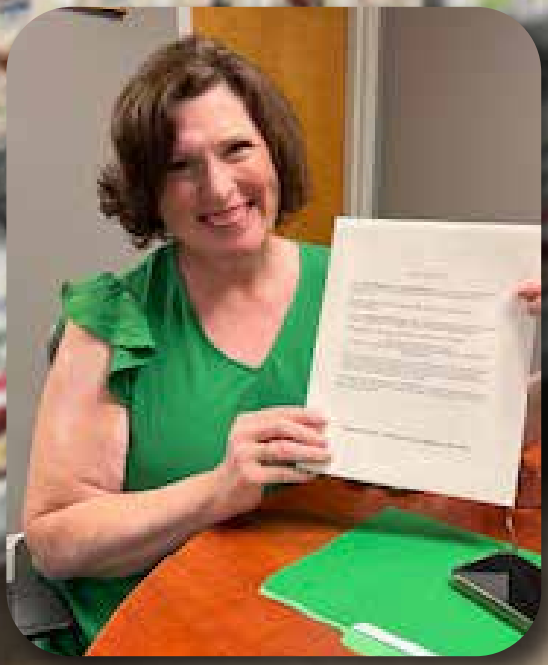
HEBRON FOOD PANTRY

2024 ANNUAL REPORT



MISSION STATEMENT

Our mission is to aid in the elimination of hunger in the Greater Attleboro area. We pledge to provide those in need with nutritious food, advance independence and hope.

OUR GOALS

- To provide essential nutrition and services that aid in the fight against food insecurity with dignity, respect and compassion
- We appreciate the worth and diversity of the people we serve. Maintain an approachable and welcoming environment for individuals and families to seek assistance.
- Provide consistent and accommodating times for food distribution.
- Ensure that the quality of the food we provide is of the highest nutritional standard.
- Value our staff and volunteers and their commitment to our community.
- Create and grow relationships with community partners that provide resources to advance our mission.

Dear Friends, Supporters, and Community Members,

Warm greetings to our donors, clients, and volunteers. As we celebrate 25 years of dedicated service to the Greater Attleboro community, 2024 has proven to be a milestone year filled with incredible accomplishments that strengthen our ability to serve those in need.

One of the most transformative achievements this year was the purchase of our very own home at **40 Emory Street**. This new location, with nearly 3,000 square feet—more than doubling our current space—allows us to expand our services significantly. Situated in the heart of our highest client population, this new facility ensures accessibility and convenience for those we serve. We are truly blessed to own this building free and clear, thanks to a generous grant from the **City of Attleboro**, as well as numerous contributions, including an anonymous **$250,000 donation**. These remarkable gifts will enable **Hebron Food Pantry (HFP)** to provide an even greater impact on our community.

We are excited to share that **construction has begun**, and we anticipate occupying our new home by **late spring**. This new space will allow us to improve efficiency, expand our offerings, and create an even more welcoming environment for our clients.

Another exciting transformation has been our transition to **appointment-based shopping**, which has been an incredible success. We currently **book over 800 appointments Monday through Friday**, offering more than **25 hours of distribution each week**. This model has allowed us to provide a more dignified, efficient, and personalized shopping experience for our clients while reducing wait times and ensuring a steady flow of service.

With this change, we have gained valuable insight into the demographics we were previously missing, and we are committed to further tailoring our services to ensure no one in our community goes without essential nutrition. We continue to evolve, seeking innovative ways to meet the needs of our diverse client base.

Due to the **increased demand**, we have created **additional partnerships** to ensure we have enough food to meet the needs of our community. In addition to our longstanding relationship with the **Greater Boston Food Bank**, we are now also working with **Spoonfuls**. Through these partnerships, we distributed well over **one million pounds of food** in 2024, ensuring that more individuals and families have access to nutritious meals.

As we look to the future, we recognize that **our numbers increase every year**. The need continues to grow, and with it, our responsibility to ensure that no one in our community goes hungry. We are actively working on **strategies to source additional resources**, forging new partnerships, and expanding our capabilities so that we can rise to meet this challenge. **The road ahead is demanding, but with your continued support, we will persevere and make an even greater impact.**

None of these accomplishments would be possible without the dedication and generosity of our donors, volunteers, and community partners. Your unwavering support allows us to grow, adapt, and serve with compassion and dignity. **Thank you for standing with us as we work to eliminate food insecurity in the Greater Attleboro area.**

With gratitude and hope for the future,

Heather Porreca
